For more info call Prospect Recreation  
& Park District: 303.424.2346

# Prospect Recreation & Park District Master Plan

## 2019 Master Plan

In October and November 2018, Prospect Recreation & Park District held several public meetings for our 2018-2019 Master Plan Update project. The Master Plan Update consists of three components:

1. Update of the 2008 Master Plan
2. Master Plan the Applewood Golf Course
3. Develop a conceptual plan for the Prospect Arena site

A Findings and Visionings Presentation was held at the Vista at the Applewood Golf Course on January 24. This presentation updated the community on progress related to the Master Plan Update, and was a further opportunity for the community to provide input on the components of the Plan.

A separate Findings and Visionings Presentation was held for the Prospect Arena site. This presentation was held at Fairmount Elementary School on Wednesday, Jan. 30.

The Draft Master Plan was reviewed by the Prospect Board in April, and the Final Plan was approved in May. Thank you to everyone who participated in the planning process; your input was crucial in the development of the plan.

To view the 2019 Master Plan and the 2019 Prospect Arena Conceptual Plan, please go to [www.prospectdistrict/masterplan](http://www.prospectdistrict/masterplan)

## Apex Park and Recreation District Partnership

Prospect Recreation & Park District residents can take advantage of resident rates on many programs and activities at Apex Park and Recreation District. Apex provides numerous facilities covering a wide range of recreational activities, including swimming, fitness, tennis, racquetball, and many others. For more info about Apex facilities go to [www.apexprd.org/facilities](http://www.apexprd.org/facilities).

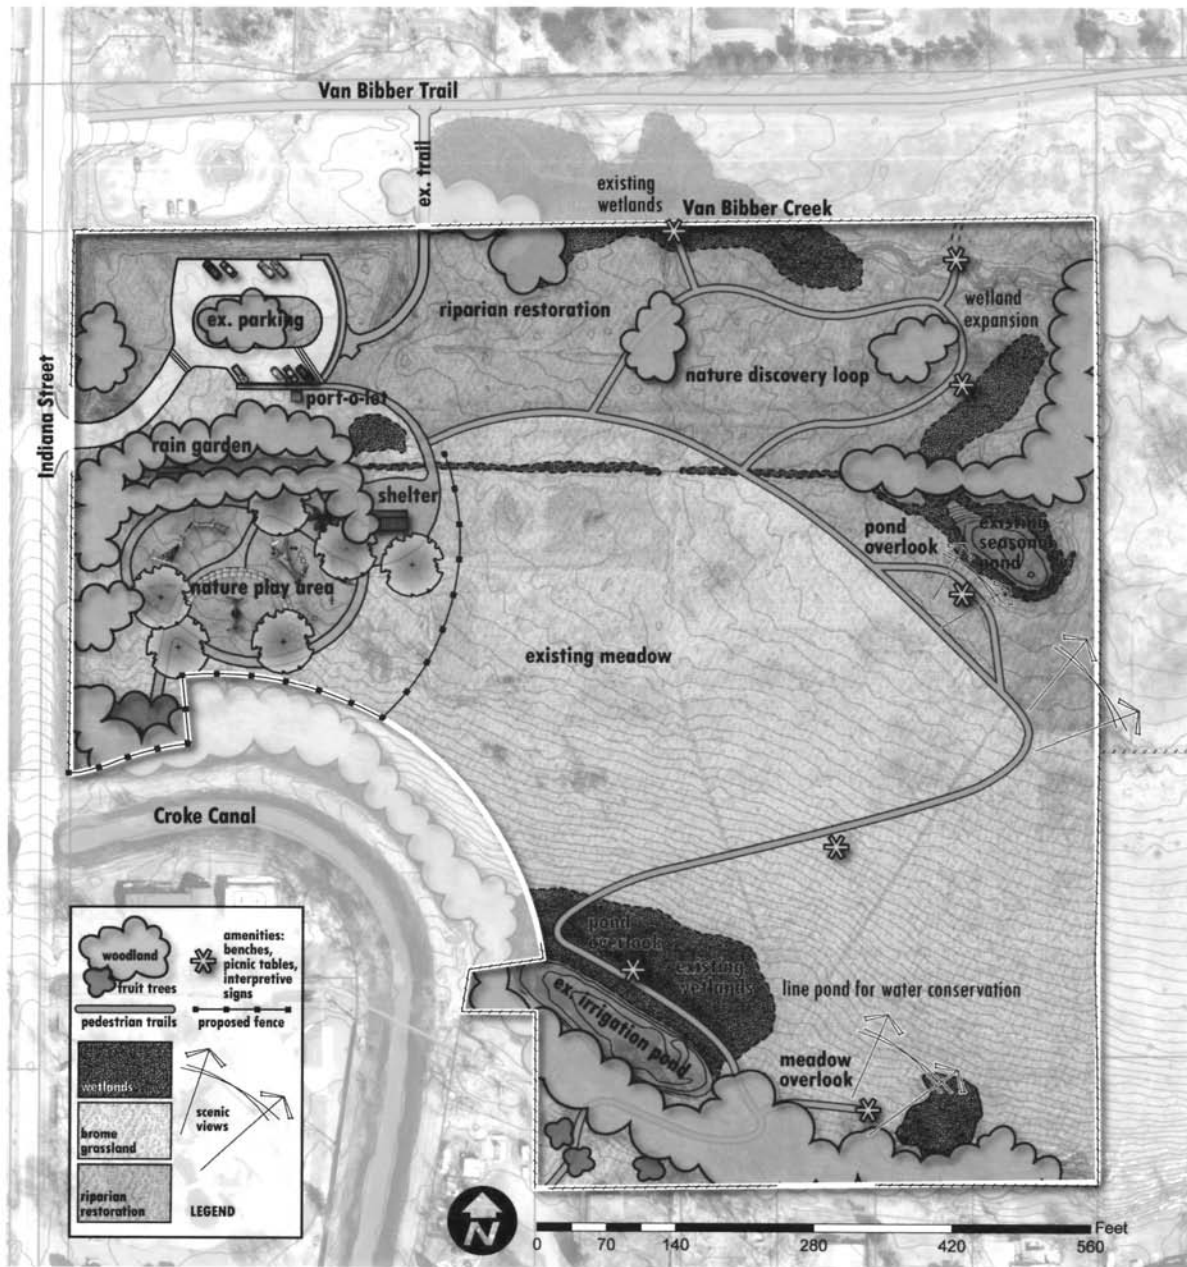

With an Apex PRD/Prospect Resident ID Card, you'll receive resident discounts on all Apex PRD offerings except Apex Center annual passes (Prospect residents receive intermediate discounts). Prospect residents pay the non-resident fee at Indian Tree Golf Club, which is a premier public facility among Denver golf courses. Annual golf memberships are not available to Prospect residents. Go to [www.apexprd.org/about/residency-information/](http://www.apexprd.org/about/residency-information/) for more information about Apex ID cards and how to determine your residency.

Apex activity guides are distributed twice a year. The spring/summer guide is distributed in March for April through August activities; the fall/winter guide is distributed in August for September through March activities. Activity guides are available online at [www.apexprd.org/register](http://www.apexprd.org/register). They are also distributed to all Apex PRD facilities, Jefferson County libraries, Arvada City Hall and selected area businesses.

You can also check out on the Apex website, [www.apexprd.org](http://www.apexprd.org). If you have your resident ID card, you'll be eligible for the discount when you register online. In addition, APEX/Prospect resident ID cardholders automatically receive APEX brochures in the mail, beginning with the next published issue published after your ID card is issued.

# Strippgen / Serene Conserancy

PRPD and its consultant, Confluent Design, have completed the design plan for the 18 acre Serene Conservancy located at 5550 Indiana Street. The next step in the process is a Location and Extent submittal to Jefferson County Planning & Zoning. Location and Extent is the Jefferson County review procedure of public buildings, facilities or uses in the development of a site. The property will be developed in conformance with the conservation easement that governs use of the site. Passive recreation, preservation of habitat, and environmental education are some of the concepts that are included in the design plan. The Concept Plan is shown below.
